

Accreditation

Rowan University is accredited by the Middle States Commission on Higher Education. Rowan School of Veterinary Medicine is accredited by the American Veterinary Medical Association Council on Education.

Term and Semester Hours

Rowan SVM operates under the semester system with two semesters (Fall and Spring) each academic year. The curriculum is a required course load determined by the faculty with no substitutions. All students attend full-time and credits/credit hours are not calculated. The Shreiber School of Veterinary Medicine at Rowan University is a pass/unsatisfactory curriculum, and therefore does not calculate grade point averages (GPA) or quality points.

Course Number System

A four-character alphanumeric Subject Code (VMED) represents the school. All courses are integrated and therefore not assigned to any department. The Subject Code is followed by a 5-character numeric group. The first three digits indicate the level of the course as follows:

Year 1 (first and second semester)	01510 - 523
Year 2 (third and fourth semester)	02610 - 625
Year 3 (fifth and sixth semester)	03710 - 724
Year 4 (seventh, eighth, and ninth semester)	04801 - 816
Elective Courses	01901 - 919
