Call to Order: Meeting was called to order by President Newell at 10:51a.m.

President's Report:

No resolutions or speakers, therefore, the agenda was suspended by President Newell with suggestions that important issues be raised as motions under New Business. On the question of what the dean's role will be in the University College: Hiring of an interim dean without input raises questions; it was suggested that the Senate can invite the interim dean to a meeting.

The Provost apologized for the "invasion of space" that affected all faculty who were moved.

Point of Privilege: AFT President, Karen Siefring asked that the minutes note that there has been no conversation with President Newell related to promotions. The information as presented in President's written report was stated as misleading. (i.e. - reference to fourth paragraph).

Committee Reports

Presentation of Committee List: Deferred to future meeting.

Nomination of the Parliamentarian: by unanimous consent, **Afrodesia McCannon** was elected to the position.

RE: Tenure and Recontracting and Sabbatical Deadlines:

10/17 is the deadline for T&R packets. The deadline referred to in the downloaded forms is wrong.

According to Frances Johnson, 10/16 is the actual date to sign up (to apply). Also, noon of 11/13 is the deadline for Sabbatical requests to be submitted. Forms are downloadable on the Senate Webpage at <http://www.rowan.edu/president/senate/sabbatical>. Eligible faculty can apply every 7 years.

Old Business

Question raised by Skeffington Thomas: Where does information fit in the new order of the agenda?

Status of the Truth in Military Recruiting Resolution:

The Administration position is unified in its opposition to the resolution and there appears to be no willingness to move. Senate needs to revisit its position.

Status of the Fingerprinting/Criminal Background Check Resolution:

The resolution was rejected by the administration; however, there is a possibility that the Provost may be an ally against the current policy. Just what his opposition may mean is unclear. President Newell met with Tom Gallia, President's Office, establishing an agreement that records will be destroyed after the person is hired and that records will

AFT leadership has requested clarification of the role of the Senate in the R&R process. President Newell proposes a meeting consisting of 2 representatives of the outgoing T&R Committee along with 2 AFT representatives.

A question was raised regarding status of **changes in the T&R process**: When will the report be available on the changes in the T&R process? Pres. Newell will refer this to the AFT. It is anticipated that the changed T&R document will be ready at the end of the month. Candidates will fill out their documents the same as usual; there is no change in the dates.

Additional question pertaining to T&R process: Can't candidates be informed of problems in order to fix them instead of being rejected without this requiring a minor change to the process? Discussion ensued re: the possibility of changes to departmental deadlines. Candidates have a right to respond in writing to their evaluation. There is no similar process in promotions- except at the provost level- in which changes can be made. It is anticipated that the changed T&R document will be ready at the end of the month. Candidates will fill out their documents the same as usual; there is no change in the dates.

Question of outside attendees: The WHIT Editor and a photographer for the WHIT were present; both introduced themselves and were granted permission to remain.

Bruce Caswell, speaking **on the possibility of a second open period**, noted the following:

1. That students first brought this idea forward
2. That (we) don't want to limit the days. President Newell will draw on Bruce Caswell's experience, meet with the provost, then, and possibly reassemble the original group. The current provost has had no experience with open periods, but he is willing to generate the data to explore the possibilities.

University-wide committee approval was moved by D. Gilchrist and was approved by unanimous consent.

Ann Phillips questioned whether everyone was able to get on a committee. She asked that those who requested committee assignments but were denied them receive written notification of such to be included in their packets.

Various typos and corrections to officer reports were made.

Motion to Adjourn at 11:35a.m.

Respectfully submitted,
Julie Mallory Church, Senate Secretary
