OFFICE INTERPRETATION OF THE EVALUATION CRITERIA
STEM CENTER COORDINATOR

The table structure is largely hidden by redaction. Visible elements include a header row at the top, followed by several rows of data. The columns are not clearly defined, but the grid lines suggest a multi-column layout. The redaction is most prominent in the middle and lower sections of the table.

• **Grow program** - seek to offer new and engaging opportunities.
er' pānui

• **Tea** - a traditional Maori drink, often served at gatherings.
