There are two options to choose from to complete your placement testing. You can test on campus at the Testing Center without any fees, or you can test remotely through the online proctor for a $10 proctoring fee. Rowan University does not collect or receive any portion of the fees collected by the online proctor.

Click here to schedule an appointment to test at the Rowan University Testing Center, then follow the steps below to complete your registration:

1. From the drop down menu "Choose" select Placement Test (Basic Skills Math, Basic Skills Reading, and/or College Level Math)
2. From the drop down menu "Choose" select your test
3. From the menu "Choose a Date" click the calendar at the side the box, then choose a date that is in bold type and at least 36 hours in advance.
4. From the menu "Choose a time" select your preferred time
5. Complete "Who is taking this exam" information for the
